On the shores of beautiful Rice Lake, our Housekeeping Cottage Resort offers our guests quality, at affordable vacation prices.

We have 20 cottages on over 25 acres and more than 3000 feet of shoreline. Plenty of room to relax and enjoy nature and the outdoors.

Cottages are well spaced for privacy. Every unit has it's own camp fire pit, most cottages have their own wood burning fireplace. They all have a view of the lake. All our cottages are fully equipped for housekeeping including gas BBQ's and on site WiFi. Bedding and towels are supplied with weekly bookings. Weekend and mid week please bring your own towels.

Relax and enjoy our Eco friendly solar heated salt-water pool, or a game of horseshoe. How about some fun time on the lake. Rice Lake is renowned for the quality and quantity of both sport and pan fish. Boat in comfort with our boat and motor packages or take advantage of our complimentary canoes, kayaks, and paddle boats.
