Highland View Resort is planned for your enjoyment both indoors and out!

# Summer is for families!

Only 90 minutes from Toronto, Highland View is a modern cottage rental resort on Rice Lake with all the comforts of home. It's the perfect cottage setting for spring fishing trips, summer vacations and fall getaways!

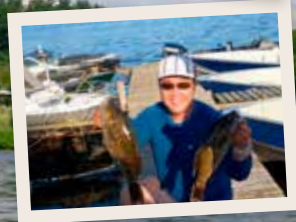

You can relax by our Enviro friendly solar heated salt water pool, or try our canoes, kayaks and paddle boats for free! We also have scheduled tubing for the kids! Our cottages are well spaced for privacy and all have individual camp fire pits.
